Moka Aroma Espresso

The beautiful and easy to use Moka Aroma espresso machine is ready to make your favorite espressos and cappuccinos at a push of a button. Its compact design and innovative features such as Thermocream System and Maxi-Cappuccino device make it ideal for the home or office espresso lover. Comes with a measure, a tamper and an adjustable steam control to allow customized strength for cappuccinos and lattes with manual control. Cup warmer on top, removable tank on the side and drip tray on the bottom make it easy to use and clean the unit. Moka Aroma by Espressione is both elegant and dependable hard working espresso machine that will add taste, comfort and beauty to your home kitchen or office bar.
