

Dualit®

2 SLICE LITE TOASTER

The new Dualit *Lite* toaster is a combination of simplicity and style, with its array of features, Dualit quality with a commercial rating and sleek design makes this toaster one of the best in its class, and it comes in variety of great colors. Each slot is extra wide and automatically adjusts to accommodate bagels, buns and muffins. The high lift mechanism allows for easy removal of small items. There is also a Neon light that glows during the toasting process or flashes when toasting buns. With its polished stainless steel cover, sturdy ABS body, the many features and design of the new Dualit toaster will please all.
