

Dualit®

Hand Mixer

The Dualit Hand Mixer has been designed for both commercial and home use and comes with a professional heavy-duty 240 watt power motor. On top of the solid ingenuity, this five speed mixer stands out from the crowd with its unique manually retractable power cord which cleverly winds into the rear cap end, ensuring easy and tidy storage at all times. The mixer comes with a balloon whisk, two oversized flat beaters, and dough hooks.
